

Add flame resistant reflective striping to almost any Benchmark FR garment.

SILVER

Our Silver striping is flame resistant and offers excellent resistance to abrasion. Striping will maintain reflectivity for up to 150 washes. Safe for home and light industrial laundering. Do not use staining agents.

YELLOW / SILVER / YELLOW

Our Yellow/Silver/Yellow striping is flame resistant and offers both daytime and nighttime visibility. Striping will maintain reflectivity for up to 150 washes. Safe for home and light industrial laundering. Do not use staining agents.
